

Beaufort
Dec 6th 187

My dear Lou,

I have been trying
for so very many sad years to
find out where you were & only
just now find out thro' our
mutual friend & my cousin Lida
Bennett where you are. Can't
you write me if ever so short
a note? anything directed to
Lida's care will reach me safely.
Love from

Yr ever aff^l friend
Nathaniel Heyward
